# HE Bioscience Technician of the Year Award

Recognising technicians who:

- deliver innovation and efficiency
- make a positive impact and inspire others
- demonstrate leadership & collaboration
- are committed to professional development

Technical staff at any stage in their career, employed in a teaching, research or management role in the HE bioscience sector in UK and Ireland are encouraged to apply.

Nominate yourself or a colleague by **Thursday 30th November 2017** by visiting [www.rsb.org.uk/technician-of-the-year](http://www.rsb.org.uk/technician-of-the-year)
